ANNUAL MEETING INFORMATION

When and where is the Annual Meeting?

The Annual Meeting will be held at 9:00 a.m. Pacific Time on Tuesday, April 26, 2022, at our corporate headquarters, which is located at 520 Third Street, 4th floor, Santa Rosa, CA 95401.

What proposals will be voted upon at the Annual Meeting?

There are two proposals scheduled for a vote at the Annual Meeting:

- (1) To elect eight (8) directors to serve until the 2023 Annual Meeting of Shareholders and until their successors have been duly elected and qualified (Proposal I).
- (2) To ratify the selection of Crowe LLP as the Company's independent registered public accounting firm for the year ending December 31, 2022 (Proposal II).

As of the date of this Proxy Statement, we are not aware of any additional matters that will be presented for consideration at the Annual Meeting.

What is the recommendation of our board of directors?

Our Board recommends that you vote:

- **"FOR"** the election of each of the eight (8) nominees named herein to serve on the board of directors.
- **"FOR"** the ratification of the selection of Crowe LLP as the Company's independent registered public accounting firm for the year ending December 31, 2022.

Who is entitled to vote at the Annual Meeting?

Only shareholders of record at the close of business on March 1, 2022 (the "Record Date"), are entitled to receive notice of and to vote at the Annual Meeting or any postponement or adjournment thereof.

How do I vote?

For Proposal I (election of directors), you may either vote **"FOR"** any of the nominees to the Board of Directors or you may **"WITHHOLD"** your vote for any nominee that you specify. For Proposal II (ratification of auditor appointment), you may either vote **"FOR"** or **"AGAINST"** the proposal or **"ABSTAIN."** The procedures for voting are set forth below:

Shareholders of Record: Shares Registered Directly in Your Name. You may vote by giving your proxy authorization over the internet or by telephone. You may also vote by completing, signing and dating the proxy card where indicated and mailing the proxy card in the postage paid envelope provided or in person at the Annual Meeting. **Whether or not you plan to attend the Annual Meeting, we encourage you to vote by proxy or to give your proxy authorization to ensure that your votes are counted.** You may still attend the Annual Meeting and vote in person if you have already voted by proxy or given your proxy authorization.

- To vote in person, attend the Annual Meeting, and we will provide you with a ballot when you arrive.
- To give your proxy authorization over the internet, go to the website address set forth on the proxy card and follow the instructions provided on the website.
- To give your proxy authorization by telephone, dial the toll-free phone number listed on your proxy card using a touch-tone phone and follow the recorded instructions.
- To vote using a proxy card, complete, sign and date the proxy card and return it promptly in the postage paid envelope provided. If your signed proxy card is received prior to the vote, then we will vote your shares as you direct.

Beneficial Owners: Shares Registered in the Name of Broker, Bank or Other Agent. If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received the proxy materials from that organization rather than from the Company. As a beneficial owner, you have the right to direct your broker, bank, or other agent on how to vote the shares in your account. You should follow the instructions provided by your broker, bank or other agent regarding how to vote your shares. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. To do this, contact your broker, bank or other agent and request a proxy card.

How many votes do I have?

For each proposal to be voted upon, you have one vote for each share of common stock that you own as of the close of business on the Record Date. You may not cumulate votes in the election of directors.

What if I return a proxy card but do not make specific choices?

Properly completed and returned proxies will be voted as instructed on the proxy card. If you are a shareholder of record and return the proxy card without marking any voting selections, your shares will be voted **"FOR"** the election of all eight (8) director nominees and **"FOR"** the ratification of the selection of Crowe LLP as our independent registered public accounting firm for the year ending December 31, 2022. If any other matter is properly presented at the Annual Meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using her discretion. If any director nominee becomes unavailable for election for any reason prior to the vote at the Annual Meeting, the Board of Directors may reduce the number of directors to be elected or substitute another person as nominee, in which case the proxy holders will vote for the substitute nominee.

Brokers, banks or other agents that have not received voting instructions from their clients cannot vote on their clients' behalf with respect to proposals that are not "routine" but may vote their clients' shares on "routine" proposals. **Under applicable rules of the New York Stock Exchange applicable to most brokers, banks, or other agents, Proposal I (election of directors) is not a "routine" proposal. If a broker, bank, or other agent indicates on a proxy card that it does not have discretionary authority to vote certain shares on a proposal that is not "routine," then, absent direction from the beneficial owner, those shares will be treated as broker non-votes. Broker non-votes are counted only for the purpose of determining whether a quorum is present.**

Can I change my vote?

Yes. If you are the record holder of your shares, you may revoke your proxy in any of the following ways:

- You may change your vote at any time before the proxy is exercised by re-submitting your vote via the internet or by telephone;
- You may submit another properly completed proxy card bearing a later date which is received by the close of business on April 22, 2022;
- You may send a written notice that you are revoking your proxy. The notice must be sent to Luther Burbank Corporation, 1515 W. 190th Street, Suite 275, Gardena, CA 90248, Attention: Corporate Secretary, and must be received by the close of business on April 22, 2022; or
- You may attend the Annual Meeting and notify the election officials that you wish to revoke your proxy and vote in person. However, your attendance at the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker, bank or other agent as your nominee, you should follow the instructions provided by your broker, bank or other agent.

How many shares must be present to constitute a quorum for the Annual Meeting?

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares entitled to vote are represented at the Annual Meeting. As of the close of business on the Record Date, there were 51,648,898 shares of common stock outstanding and entitled to vote. Thus, 25,824,450 shares of common stock must be represented at the Annual Meeting to have a quorum.

Your shares will be counted towards the quorum if you vote in person at the Annual Meeting or if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other agent). Additionally, **"WITHHOLD"** votes, abstentions and broker non-votes will also be counted towards the quorum requirement. If there is no quorum, the Chairman of the Annual Meeting may adjourn the meeting until a later date.

How many votes are needed to approve the proposal?

For Proposal I (election of directors), if a quorum is present, the vote of a plurality of all of the votes cast at the Annual Meeting is necessary for the election of a director. Shareholders are not entitled to cumulative voting in the election of our directors. Therefore, the eight (8) nominees for director receiving the most **"FOR"** votes will be elected. For purposes of the election of directors, **"WITHHOLD"** votes and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote.

Approval of Proposal II (ratification of auditor selection) requires the votes cast in favor of the proposal to exceed the votes cast against the proposal. Abstentions from voting are not treated as votes cast and are not counted in determining the outcome of the proposal.

How can I determine the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Within four (4) business days after the conclusion of the Annual Meeting, the Company will file a Current Report on Form 8-K with the U.S. Securities and Exchange Commission ("SEC") that announces the final voting results.

Who should I contact if I have any questions?

If you have any questions about the Annual Meeting, this Proxy Statement, our proxy materials or your ownership of our common stock, please (i) contact Luther Burbank Corporation, 520 Third Street, 4th floor, Santa Rosa, CA 95401, Attention: Investor Relations, (ii) email investorrelations@lbsavings.com or (iii) call (844) 446-8201.

CORPORATE GOVERNANCE

We are committed to strong and effective corporate governance, which is essential to running our business efficiently and maintaining high standards of integrity. We enhance our policies and procedures when required or when our Board determines that it would benefit us and our shareholders.

The Board of Directors and Risk Oversight

Our Board has an active role, as a whole and at the committee level, in the Company's risk oversight process. The Board receives regular reports from members of senior management on areas of material risk to the Company, including operational, financial, legal, regulatory, strategic, cyber and reputational risks. While our full Board maintains the ultimate oversight responsibility for the Company's risk oversight process, its three standing committees oversee certain enumerated risks as set forth in committee descriptions below. Senior management reports to the Board or the appropriate committee of the Board on risk identification, risk management and risk mitigation strategies. When a committee receives such a report, the chair of the relevant committee reports on the discussion to the full Board during the committee reports portion of the next Board meeting. This enables the Board and its committees to coordinate the risk oversight role.

Committees of our Board of Directors

Our board of directors maintains the authority to appoint committees to perform certain management and administrative functions. The Board has established three permanent committees: the Audit and Risk Committee, the Compensation Committee, and the Governance and Nominating Committee. These committees of our Board also perform the same functions for the Bank. Our Board has adopted written charters for each committee, which are available at <https://ir.lutherburkbanksavings.com/corporate-governance/governance-overview>. Information that is presented or hyperlinked on our website is not incorporated by reference into this Proxy Statement. As necessary from time to time, special committees may be established by our board of directors to address certain issues. Each of our committees has the authority to retain special counsel and other advisers to assist in carrying out its responsibilities. The following table shows the current composition of each of the committees of our Board and the number of times each committee met during 2021:

Governance and Nominating Committee

Our Governance and Nominating Committee consists of Mr. Wajnert (Committee Chair), Mr. Shuster, Ms. Newcomb and Ms. Agrawal. The committee is responsible for, among other things, identifying and recommending to our Board of Directors qualified individuals to become directors; nominating candidates for election to our Board; advising our Board with respect to the roles and composition of committees; overseeing the evaluation of our Board; assisting our Board in establishing and maintaining effective corporate governance practices; periodically evaluating our Board and committees and providing recommendations to help them function more effectively; advising the Board on director compensation; and CEO succession planning. In 2020, the Governance and Nominating Committee also took on oversight responsibility for Environmental, Social and Governance ("ESG") strategy and reporting.

Our Board has determined that each member of our Governance and Nominating Committee meets the requirements for independence under the rules and regulations of Nasdaq.

Director Independence

Our Board has evaluated the independence of its members based upon the rules of Nasdaq. Applying these standards, our Board has affirmatively determined that each of Ms. Agrawal, Mr. Erickson, Ms. Newcomb, Mr. Shuster, Mr. Wajnert and Mr. Yzaguirre is an independent director, as defined under the applicable rules.

Controlled Company Status

We are a "controlled company" within the meaning of the corporate governance standards of Nasdaq because trusts established for the benefit of our Chair, Mr. Victor S. Trione, his brother, Mr. Mark Trione and his wife Catherine, and each of the adult children of Messrs. Trione (collectively, the "Trione Family Trusts"), control more than 50% of the outstanding shares of our common stock. If they vote in the same manner, they have the ability to determine the outcome of all matters put to a shareholder vote, including the election of directors. So long as the Trione Family Trusts continue to own a majority of our outstanding stock we will remain a "controlled company." Under the Nasdaq rules, a controlled company may elect not to comply with certain corporate governance requirements, including the requirements that a majority of the board of directors consist of independent directors and to have board-level compensation and nominating and corporate governance committees consisting entirely of independent directors. We do not currently rely on any of the corporate governance exemptions available to a controlled company.

Board Leadership Structure

Our Corporate Governance Principles currently provide that the role of Chair may be held by the Chief Executive Officer or another director, as the Board determines is appropriate. Our Corporate Governance Principles also provide that if the Chair is not an independent director, the independent directors will select a Lead Independent Director from among the independent directors serving on our Board.

Currently, the roles of Chair and CEO are separate, a structure which our Board has determined is in the best interests of our shareholders at this time. Mr. Trione serves as Chair of the Board of Directors and Ms. Lagomarsino serves as our President and CEO. Ms. Lagomarsino also serves as a member of our Board.

We also have a Lead Independent Director elected annually by a majority of independent directors. Mr. Wajnert currently serves as the Lead Independent Director. The Lead Independent Director has broad responsibility and authority, including to:

- preside at all meetings of the Board at which the Chair is not present, including the executive sessions of the independent directors, and apprise the Chair of issues considered and decisions reached;
- call additional meetings of independent directors;
- facilitate communication and serve as a liaison between the independent directors and the Chair and the CEO;
- advise the Chair of the Board's informational needs;
- consult with the Chair, the CEO and the Corporate Secretary on the agenda for Board meetings and on the need for special meetings of the full Board;
- communicate, together with the Chair of the Compensation Committee, to the CEO the results of the evaluation of his or her performance;
- oversee, in conjunction with the Governance and Nominating Committee, the evaluation process of individual directors and meet with any director who may not be adequately performing his or her duties as a member of the Board or of any Board committee;
- consult with the Chair on matters relating to management effectiveness and Board performance; and
- perform such other duties as the independent directors may from time to time designate.

Our Board has determined that its current structure, with bifurcated Chair and CEO roles and a Lead Independent Director, is in the best interests of the Company and its shareholders at this time. A number of factors support the leadership structure chosen by the Board, including, among others: (i) the current separation of the Chair and CEO roles allows the CEO to focus her time and energy on operating and managing the Company and to leverage the experience and perspectives of the Chair; (ii) this governance structure promotes balance between the Board's independent authority to oversee our business, and the CEO and her management team who manage the business on a day-to-day basis; and (iii) this structure is enhanced by the effective oversight and independence of the majority of our Board and the independent leadership provided by our Lead Independent Director and independent committee chairs.

Board Meetings and Attendance

The Board meets at least quarterly at regularly scheduled meetings. Directors are expected to attend and participate in all meetings of the Board of Directors and any committees of which such director is a member. Directors must be willing to devote sufficient time, energy and attention to properly discharging their duties and responsibilities to the Company and the Board. Nomination for re-election is subject to the recommendation of the Governance and Nominating Committee, which may consider exceptions to our attendance policy for excusable absences.

Independent directors meet in executive session, with no members of management and no non-independent directors present, at least annually.

During 2021, our board of directors met on eight (8) occasions, including four (4) special meetings. In 2021, each of our current directors attended all meetings of the Board and committees of the Board on which he or she served during the period in which he or she served.

The Chair attended the 2021 Annual Meeting of Shareholders in person. All other directors attended the 2021 Annual Meeting of Shareholders by telephone due to the COVID-19 pandemic. All directors are expected to attend the 2022 Annual Meeting in person.

Corporate Governance Principles

Our board of directors has adopted Corporate Governance Principles, which, in conjunction with our committee charters, set forth the framework within which our board of directors, assisted by its committees, directs the affairs of the Company. Our Corporate Governance Principles address, among other things, the composition and functions of our board of directors, director independence, management succession and review, board committees, board of directors and committee evaluation processes and selection of new directors. The Board believes such principles to be appropriate for the Company in its effort to maintain "best practices" as to corporate governance.

Code of Ethics and Business Conduct

Our Board has adopted a Code of Ethics and Business Conduct (the "Code of Ethics") governing all of our directors, officers, including our principal executive officer, principal financial officer and principal accounting officer, and other employees. The Code of Ethics covers compliance with law, fair and honest dealings with us, with competitors and with others, fair and honest disclosure to the public, conflicts of interest, confidentiality of nonpublic information, and procedures for ensuring accountability and adherence to the Code of Ethics. The Code of Ethics is available on our website at <https://ir.lutherburbanksavings.com/corporate-governance/governance-overview>. We expect that any amendments to the Code of Ethics, or any waivers of its requirements, will be disclosed on our website, as well as any other means required by Nasdaq rules.

Stock Ownership Guidelines

Our board of directors has determined that long-term, significant equity ownership by all independent directors and senior officers is in the best interest of the Company and serves to align the interests of the directors and officers with the interests of the Company's shareholders. To that end, our Board adopted stock ownership guidelines for independent directors and executive officers of the Company. Pursuant to guidelines adopted in 2019, our independent directors must own stock with a value equal to five times the then-current annual base cash retainer. Pursuant to guidelines adopted in 2020 by our Board, our Chief Executive Officer must own shares equal to at least five times her base salary; our other named executive officers must own shares equal to at least two times her base salary; and, all other Executive Vice Presidents must own shares equal to at least one times his or her base salary. Compliance with the guidelines is required to be achieved within five years from the date each director or officer becomes subject to the guidelines. As of the Record Date, each of our independent directors were in compliance with the stock ownership guidelines and each of our executive officers were in compliance or expected to be in compliance giving allowance to the five year compliance period.

Environmental, Social and Governance ("ESG") Initiatives

Luther Burbank Corporation recognizes that, as a community bank, what we do matters to our customers, employees, investors, and the communities we serve. We are committed to strengthening our communities, empowering our employees, and engaging in responsible business practices. At our core, our business is about helping our stakeholders improve their quality of life and that has helped shape our business and how we dedicate resources in the communities we serve. Beginning in 2020, we united our long-standing efforts, and began new ones, under the umbrella of ESG. ESG includes a wide spectrum of issues that traditionally are not part of a corporation's financial analysis, yet we believe they have a financial relevance and board impact. We believe that strong ESG performance is aligned with our mission of improving the financial future of our shareholders, employees, customers, and communities.

We consider ESG-related matters throughout the organization with a focus on transparency and continuous improvement. Our ESG initiatives are focused on supporting the communities we serve in the areas of affordable housing, community development, and financial education; promoting diversity, equity and inclusion within the Company, at our vendors, and in the communities we serve; maintaining corporate governance best practices; and lessening our environmental impact. In addition, we monitor risks to the Company relative to climate change, specifically flood and wildfire risks in our loan portfolio, cybersecurity, and data privacy.

As noted above, in 2020, the Governance and Nominating Committee took on oversight responsibility for ESG strategy and reporting. The Company also began an ESG assessment to holistically inventory existing ESG activities and to identify the most significant opportunities to expand our ESG impact and to mitigate ESG-related risk. In 2021, the Company incorporated establishment of an effective ESG framework into its strategic plan and approved an enterprise-wide ESG Program. Also in 2021, the Company chartered a management-level ESG Council that, with support from the Governance and Nominating Committee, is responsible for execution of our ESG

strategy. The ESG Council also oversees measurement of the Company's ESG performance in order to gauge the effectiveness of our ESG initiatives over time. Continuing to build our ESG framework remains a strategic priority for the Company in 2022.

Compensation Committee Interlocks and Insider Participation

No member of our Compensation Committee (i) is or has ever been an employee of the Company or our Bank, (ii) was, during the last completed fiscal year, a participant in any related party transaction requiring disclosure under "Certain Relationships and Related Party Transactions," other than deposit transactions in the ordinary course of the Bank's business on substantially the same terms as provided to non-related parties, or (iii) had, during the last completed fiscal year, any other interlocking relationship requiring disclosure under applicable SEC rules.

Director Nominations

The Governance and Nominating Committee is responsible for the process relating to director nominations, including, in consultation with the Chairman of the Board and the CEO, identifying, reviewing and selecting individuals who may be nominated for election to the board of directors. Pursuant to its charter and our Corporate Governance Principles, the Governance and Nominating Committee considers various criteria in its identification, review and selection of potential director nominees, including individual integrity, independence, forthrightness, sound judgment, analytical skills, experience in areas of importance to the Company, a commitment to the interests of the Company's shareholders, and commitment to devote the necessary time and attention to the Company's affairs. The criteria for selecting new directors also reflects the requirements of Nasdaq and of the state of California. As set forth in our Corporate Governance Principles, the Governance and Nominating Committee seeks to achieve a mix of directors with diverse skills, backgrounds and experience. In addition, the Governance and Nominating Committee endeavors to achieve a mix of relatively newer and longer tenured directors. The Governance and Nominating Committee and the Board do not believe the Company should establish term or age limits for its directors. Although such limits could help ensure that there are fresh ideas and viewpoints available to the Board, they hold the disadvantage of losing the contribution of directors who have been able to develop, over a period of time, increasing insight into the Company and its operations and, therefore, provide an increasing contribution to the Board as a whole. When re-nominating incumbent directors, the Governance and Nominating Committee considers each individual's contributions, including the value of his or her experience as a director of the Company and the Company's changing needs.

The Governance and Nominating Committee considers nominees to serve as directors of the Company and recommends such persons to the Board. The Governance and Nominating Committee also considers director candidates recommended by shareholders in accordance with our bylaws and provides a process for receipt and consideration of any such recommendations.

Procedure to be Followed by Shareholders. On an ongoing basis, the Governance and Nominating Committee considers potential director candidates identified on its own initiative as well as candidates referred or recommended to it by other directors, members of management, shareholders and other resources (including individuals seeking to join the board of directors). Shareholders who wish to recommend candidates may contact the Governance and Nominating Committee in the manner described below under "Communications with the Board of Directors and Committees." All candidates are required to meet the criteria outlined above, as well as the director independence and other standards set forth in our Corporate Governance Principles and other governing documents, as applicable, as determined by the Governance and Nominating Committee in its sole discretion.

Shareholder nominations must be made according to the procedures required under our bylaws and described in this Proxy Statement under the heading "Additional Information — How and when may I submit a shareholder proposal for the 2023 Annual Meeting?" The Governance and Nominating Committee strives to evaluate all prospective nominees to the board of directors in the same manner and in accordance with the same procedures, without regard to whether the prospective nominee is recommended by a shareholder, the Governance and Nominating Committee, another board member or members of management. However, the Governance and Nominating Committee may request additional steps in connection with the evaluation of candidates submitted by shareholders due to the potential that the existing directors and members of management will not be as familiar with the proposed candidate as compared to candidates recommended by existing directors or members of management. The Governance and Nominating Committee will conduct the same analysis that it conducts with respect to its director nominees for any director nominations properly submitted by a shareholder and, as a result of that process, will decide whether to recommend a candidate for consideration by the full board of directors.

Communications with the Board of Directors and Committees

We have established procedures for shareholders or other interested parties to communicate directly with our Board or with a committee of the Board. Such parties can contact our board of directors or a committee by sending written correspondence by mail to:

Generally, the Corporate Secretary will not forward to the board of directors or any committee any communications relating to Company products and services, solicitations, or otherwise improper or irrelevant topics. If, however, the Corporate Secretary determines that a communication relates to corporate governance or otherwise requires review, response or action by the Board of Directors or any committee, then the Corporate Secretary will immediately send a copy of such communication to each director serving on the Board of Directors or on the applicable committee.

(3) Represents the value of the increase in the accumulated benefit under the Salary Continuation Agreement with Ms. Tarantino. We account for this agreement as a deferred compensation agreement and the obligation is unsecured and unfunded. Of the amounts reported for 2021 and 2020, 62% and 60%, respectively, is attributed to a decrease in the discount factor used to calculate the present value of the accumulated benefit reflecting historically low interest rates. No amount was paid in 2021 under this agreement and it was not considered for purposes of determining the identities of the named executive officers. For more information regarding the salary continuation agreement with Ms. Tarantino, see discussion under the caption “Narrative Discussion of Summary Compensation Table — Employment Agreements” below.

Narrative Discussion of Summary Compensation Table

We have compensated our named executive officers through a combination of base salary, annual cash incentive awards, long-term equity incentive compensation and other benefits including perquisites. Each of our named executive officers has substantial responsibilities in connection with the day-to-day operations of the Company, and together function as a leadership team responsible for the success of the organization.

Compensation Philosophy. The objectives of our compensation practices are to attract and retain highly qualified executives, motivate and reward those executives for managing and improving the operations of the Company while prudently controlling risks, and align the interests of our executives with the interests of our shareholders over the long-term. Our goal is to pay for performance, thereby rewarding officers whose contributions positively impact the Company. Overall compensation is within a competitive range of the market for executive talent for similarly-sized regional banks, although we do not manage to a specific percentile of market when making executive pay decisions.

Base Salary. The base salaries of our named executive officers are reviewed and approved by the Compensation Committee. In establishing base salaries, the Compensation Committee has relied on external market data. In addition to considering the information from such sources, the Compensation Committee has considered:

- each officer's scope of responsibility;
- each officer's years of experience;
- the types and amount of the elements of compensation to be paid to each officer;
- our financial performance and performance concerning other aspects of our operations, such as our growth, asset quality, profitability, risk management and other matters, including the status of our relationship with the banking regulatory agencies; and
- each officer's individual performance and contributions to our performance, including leadership and teamwork.

Equity Incentive Compensation. Our named executive officers are eligible to receive annual equity awards designed to align the interests of our executives with the interests of our shareholders over the long-term. These awards are intended to recognize and reward those officers who contribute meaningfully to our performance for the year. Generally, payment of an award is contingent upon our overall performance, including the satisfaction of minimum Company performance triggers and metrics set by the Compensation Committee, and upon individual performance. The amount of the awards is subject to the discretion of the Compensation Committee each year as to what amounts are awarded.

Non-Equity Incentive Compensation. Our named executive officers are eligible to receive annual cash awards. These awards are intended to recognize and reward those officers who contribute meaningfully to our performance for the year. Generally, payment of an award is contingent upon our overall performance, including the satisfaction of minimum Company performance triggers and metrics set by the Compensation Committee, and upon individual performance. For the named executive officers, a target bonus is set by contract. The amount of the awards is subject to the discretion of the Compensation Committee each year as to what amounts are payable.

401(k) Plan. Our 401(k) Plan is designed to provide retirement benefits to all eligible full-time and part-time employees. The 401(k) Plan provides employees with the opportunity to save for retirement on a tax-favored basis. Our named executive officers, all of whom were eligible to participate in the 401(k) Plan during 2021 and 2020, may elect to participate in the 401(k) Plan on the same basis as all other employees. We have elected a safe harbor

401(k) Plan and as such make matching contributions of up to 100% of employee salary contribution deferrals up to 3% of pay, plus 50% of employee salary contribution deferrals from 3% to 5% of pay for each payroll period, subject to a cap of \$11,600 for any employee in 2021 and \$11,400 in 2020. An employee must contribute to receive the matching contribution.

Health and Welfare Benefits. Our named executive officers are eligible to participate in the same benefit plans designed for all of our eligible full-time and part-time employees, including health, dental, vision, disability and basic group life insurance coverage. Our named executive officers are entitled to life insurance in an amount equal to twice their base salaries, subject to a maximum coverage of \$500,000. The purpose of our employee benefit plans is to help us attract and retain quality employees, including executives, by offering benefit plans similar to those typically offered by our competitors.

Perquisites. We provide our executive officers with a limited number of perquisites that we believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain superior employees for key positions. The Compensation Committee will periodically review the levels of perquisites and other personal benefits provided to our executive officers. Based on these periodic reviews, perquisites may be awarded or adjusted on an individual basis.

Role of Executive Officers. The Chairman and CEO make recommendations to the Compensation Committee regarding the compensation of the Company's executive officers. The Chairman makes recommendations to the Compensation Committee regarding the compensation of the Company's CEO. The CEO is not present during voting or deliberation regarding her own compensation.

Role of Independent Compensation Consultant. To facilitate the fulfillment of its duties, the Compensation Committee has sole authority to retain outside advisers, including compensation consultants, to assist the Compensation Committee with executive compensation matters. The Compensation Committee has sole authority to approve the fees and retention terms of any such advisers or consultants. The Compensation Committee engaged Semler Brossy as its independent compensation consultant to review the Company's executive compensation program in 2021 and 2020. Semler Brossy also provided advice and information on other executive compensation matters, including executive pay components, prevailing market practices, and relevant legal and regulatory requirements.

The Compensation Committee considered whether there were any conflicts of interest created by its engagement of Semler Brossy to provide compensation consulting services. Its consideration focused on (i) the fact that Semler Brossy does not provide any services to the Company other than compensation consulting services to the Compensation Committee, (ii) the conflicts of interest policies and procedures of the Company and of Semler Brossy, (iii) the lack of any relationships between Semler Brossy and members of our Board, (iv) the fact that our common stock is not owned by Semler Brossy and (v) the lack of any relationships between Semler Brossy and any of our executive officers. Semler Brossy serves as the independent compensation consultant for NMI Holdings, Inc., a company of which the Chair of our Compensation Committee is Executive Chair. The Chair of our Compensation Committee does not serve on the Compensation Committee of NMI Holdings, Inc. Our Compensation Committee was aware of the engagement of Semler Brossy by NMI Holdings, Inc. and determined that this arrangement did not preclude Semler Brossy from acting as an independent compensation consultant to the committee. Based on this assessment, the Compensation Committee concluded that no conflicts of interest existed with respect to Semler Brossy or its engagement by the Compensation Committee.

Employment Agreements

We have employment agreements with each of our named executive officers, and a salary continuation agreement with Ms. Tarantino.

Ms. Lagomarsino. Ms. Lagomarsino was appointed President and Chief Executive Officer of the Company effective January 2, 2019. We entered into an employment agreement with Ms. Lagomarsino on November 30, 2018. The employment agreement has an initial three-year term with automatic one-year renewal periods thereafter, unless Ms. Lagomarsino or the Company provides notice of non-renewal at least 60 days prior to the next renewal date. Ms. Lagomarsino has a base salary for 2022 of \$800,000, subject to review at least annually. Ms. Lagomarsino is eligible to earn a discretionary bonus, in an amount determined by the Compensation Committee, subject to the achievement of the Company's performance goals and individual performance goals. The target bonus is 75% of base salary. Ms. Lagomarsino is entitled to participate in our Omnibus Equity and Incentive Compensation Plan

("Omnibus Plan") and all other benefit plans or programs generally available to similarly situated employees of the Bank.

Ms. Lagomarsino may terminate employment at any time with or without "good reason," as defined in the employment agreement. The Company can terminate the employment agreement at any time, with or without "cause," as defined in the employment agreement. In the event that Ms. Lagomarsino's employment is terminated by the Company without cause or by Ms. Lagomarsino with good reason, subject to Ms. Lagomarsino's execution and non-revocation of a release of the Company, she would be entitled to (i) an amount equal to her base salary for 24 months to be paid in the same manner as if she had remained employed with the Company; (ii) a pro rata target bonus for the calendar year in which the termination occurs to be paid in the same manner as if she had remained employed with the Company, provided that the applicable performance conditions are met at the conclusion of the calendar year in which the termination occurs; and, (iii) reimbursement of COBRA coverage for 24 months. Following a termination during a change-in-control period, as defined in the agreement, Ms. Lagomarsino would be entitled to: (i) an amount equal to her base salary and target bonus for 36 months to be paid in the same manner as if she had remained employed with the Company; (ii) the vesting of each outstanding award under the Omnibus Plan; and, (iii) reimbursement of COBRA coverage for 24 months. Upon death or disability, per the terms of the applicable award agreements, all unvested equity awards would vest immediately.

Ms. Prieto and Ms. Tarantino. On November 30, 2018, the Company entered into restated and amended employment agreements with Ms. Prieto and Ms. Tarantino effective January 2, 2019. The agreements had an initial three-year term, with automatic one-year renewal periods thereafter unless Ms. Prieto or Ms. Tarantino or the Company provides notice of non-renewal at least 60 days prior to the next renewal date. Ms. Prieto has a base salary for 2022 of \$393,750, subject to review at least annually. Ms. Tarantino has a base salary for 2022 of \$370,000, subject to review at least annually. Under their agreements, Ms. Prieto and Ms. Tarantino are each eligible to earn annual discretionary bonuses, in amounts determined by the Compensation Committee, subject to the achievement of the Company's performance goals and individual performance goals. The target bonus is 75% of base salary. Ms. Prieto and Ms. Tarantino are entitled to participate in the Omnibus Plan and all other benefit plans or programs generally available to similarly situated employees of the Bank.

Ms. Prieto and Ms. Tarantino may terminate employment at any time with or without "good reason," as defined in the employment agreement. The Company can terminate these employment agreements at any time, with or without "cause," as defined in the employment agreements. In the event that Ms. Prieto's or Ms. Tarantino's employment is terminated by the Company without cause or by the named executive officer with good reason, subject to the named executive's execution and non-revocation of a release of the Company, the named executive would be entitled to (i) an amount equal to the named executive's base salary for 24 months to be paid in the same manner as if the named executive had remained employed with the Company; (ii) two times the target bonus for the calendar year in which the termination occurs to be paid in the same manner as if the named executive had remained employed with the Company, provided that the applicable performance conditions are met at the conclusion of the calendar year in which the termination occurs; (iii) the vesting of each outstanding award to the named executive under the Omnibus Plan; and, (iv) reimbursement of COBRA coverage for 24 months. Following a change in control, Ms. Prieto and Ms. Tarantino would receive the severance payments described above, provided, however, that the payment of two times the target bonus would not be conditioned on the satisfaction of the applicable performance criteria. Upon death or disability of the named executive officer, per the terms of the applicable award agreements, all unvested equity awards would vest immediately.

Confidentiality and Restrictive Covenants. Under the employment agreements, each of the named executive officers agrees to maintain the confidentiality of confidential information, including customer non-public information and the Company's confidential information. In addition, each of the named executive officers is subject to employee and customer non-solicitation covenants. The non-solicitation restrictions apply for the duration of employment and following termination for a period of 24 months.

Salary Continuation Agreements. We have also entered into a salary continuation agreement with Ms. Tarantino. We account for this agreement as a deferred compensation arrangement and the obligation is unsecured and unfunded. Ms. Tarantino's benefit is fixed at 80% of base salary in the year in which she separates from service with the Company, payable for 20 years. On November 30, 2018, the Bank also entered into a Second Amendment to Ms. Tarantino's salary continuation agreement which provides that should Ms. Tarantino be subject to an early involuntary termination, as defined therein, the amount of the benefit payable to her under the salary continuation agreement will be 80% of compensation notwithstanding the vesting of the benefit at the time of any such early involuntary termination. The full amount of the award is payable if Ms. Tarantino's service terminates other than for

cause, in the event of death, or a termination of service without cause within 36 months after a change in control of the Company. In the event of termination for cause, as defined in the salary continuation agreement, no benefit shall be awarded.

(3) Mr. Trione's "All Other Compensation" consists of \$20,448 paid in insurance premiums and HSA contributions and a \$432,056 increase in the accumulated benefit of a Salary Continuation Agreement with Mr. Trione. We account for this agreement as a deferred compensation arrangement and the obligation is unsecured and unfunded. The increase in Mr. Trione's accumulated benefit under his Salary Continuation Agreement in 2021 was entirely attributed to a decrease in the discount rate used to calculate the present value of the accumulated benefit reflecting historically low interest rates. Mr. Trione's benefit is fixed at \$398,000 per year upon separation from service and is payable for 20 years. The full amount of the award is payable if Mr. Trione's service terminates other than for cause, in the event of death, or a termination of service without cause within 36 months after a change in control of the Company. In the event of a termination for cause, as defined in the agreement, no benefit shall be awarded. No amount was paid in 2021 under this agreement.

(4) Mr. Yzaguirre was appointed to the Board of Directors in October 2021.

PROPOSAL II

RATIFICATION OF THE SELECTION OF CROWE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2022

Introduction

Our Audit and Risk Committee is directly responsible for the appointment, compensation, retention and oversight of our independent registered public accounting firm.

Auditor Selection Process

The Audit and Risk Committee engages in an annual evaluation of the independent registered public accounting firm. It considers, in particular, whether the retention of the firm is in the best interest of the Company and its shareholders, taking into account the firm's quality of service, the firm's institutional knowledge and experience, the firm's sufficiency of resources, the quality of communication and interaction with the firm, and the firm's independence, objectivity, and professional skepticism. The Audit and Risk Committee also considers the advisability and potential impact of selecting a different independent registered public accounting firm. In 2019, the Audit and Risk Committee conducted a competitive process to review proposals from independent registered public accounting firms for the Company's fiscal year ended December 31, 2020, and selected Crowe LLP, which has served as the Company's independent registered public accounting firm since 2011. After assessing the qualifications, performance, and independence of Crowe LLP in 2020 and 2021, the Audit and Risk Committee believes that retaining Crowe LLP is in the best interest of the Company. The Audit and Risk Committee has appointed Crowe LLP as our independent registered public accounting firm to audit the Company for the year ending December 31, 2022.

The Board recommends that the shareholders ratify the Audit and Risk Committee's selection of Crowe LLP as the Company's independent registered public accounting firm for 2022. Representatives from Crowe LLP have been invited to be present at the Annual Meeting, and it is expected that they will attend via telephone. If present, representatives from Crowe LLP will have an opportunity to make a statement if they so choose, and will be available to respond to appropriate questions from shareholders.

If the shareholders do not ratify the selection of Crowe LLP as the independent registered public accounting firm for the Company for the year ending December 31, 2022, the Audit and Risk Committee will reconsider whether to engage Crowe LLP, but may ultimately determine to continue the engagement of Crowe LLP or engage another audit firm without resubmitting the matter to shareholders. Even if the selection of Crowe LLP is ratified by the shareholders at the Annual Meeting, the Audit and Risk Committee, in its discretion, may direct the selection of a different independent registered public accounting firm at any time during the year, although it has no current intention to do so.

Recommendation

Our Board recommends that shareholders vote "**FOR**" Proposal II to ratify the selection of Crowe LLP as the independent registered public accounting firm for the year ending December 31, 2022.

Audit and Non-Audit Fees

The following table presents the aggregate fees billed by Crowe LLP for the two most recent fiscal years ended December 31, 2021 and 2020:

	2021	2020
Audit Fees (1)	\$ 499,000	\$ 466,500
Audit-Related Fees (2)	15,000	14,700
Tax Fees (3)	50,000	40,300
All Other Fees (4)	41,000	40,000
Total Fees	\$ 605,000	\$ 561,500

(1) Audit fees relate to services rendered in connection with (i) the annual independent audit of the Company's financial statements included in the Annual Report on Form 10-K for the fiscal years ended December 31, 2021 and 2020, including reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q during the years ended December 31, 2021 and 2020; and (ii) services that are normally provided by the auditor in

connection with statutory and regulatory filings or engagements; comfort letters and consents; as well as other accounting and financial reporting consultation necessary to comply with the standards of the Public Company Accounting Oversight Board ("PCAOB").

(2) Audit-related fees relate to services rendered in connection with assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements.

(3) Tax fees are fees for tax compliance, tax advice and tax planning.

(4) All other fees are fees for any service not included in the first three categories, including a Uniform Single Attestation Program for Mortgage Bankers audit and other miscellaneous services.

Pre-Approval Policies and Procedures

Pursuant to its charter, the Audit and Risk Committee reviews and pre-approves audit and permissible non-audit services performed by the Company's independent registered public accounting firm as well as the scope, fees, and other terms of such services. The Audit and Risk Committee may not approve any service that individually or in the aggregate may impair, in the Audit and Risk Committee's opinion, the independence of the independent registered public accounting firm. For fiscal years 2021 and 2020, all of the audit and non-audit services provided by the Company's independent registered public accounting firm were pre-approved by the Audit and Risk Committee in accordance with the Audit and Risk Committee Charter.

AUDIT COMMITTEE REPORT

The charter of the Audit and Risk Committee was most recently approved by the Audit and Risk Committee on January 24, 2022, and the full Board of Directors on January 25, 2022. A copy of the Committee's Charter is available on the Company's webpage at <https://ir.lutherburbanksavings.com/corporate-governance/governance-overview>.

In accordance with its charter, the Audit and Risk Committee assists the Board in the oversight of (i) the integrity of the Company's financial statements, accounting and financial reporting process, and related systems of internal controls; (ii) internal and external auditing, including the qualifications, independence and performance of audit services function and the audits of the Company's financial statements; and (iii) the Company's enterprise risk management framework.

The Audit and Risk Committee has implemented procedures to enable it to devote the attention it deems appropriate to each of the matters assigned to it under its charter. In carrying out its responsibilities, the Audit and Risk Committee met a total of eight (8) times during 2021. The Audit and Risk Committee consists of four (4) non-employee directors all of whom have been determined by the Board of Directors to qualify as independent directors under the Sarbanes-Oxley Act, related SEC rules and Nasdaq rules.

In discharging its oversight responsibility, the Audit and Risk Committee has reviewed and discussed the Company's audited financial statements for the fiscal year ended December 31, 2021, and the assessment of the effectiveness of the Company's internal control over financial reporting, with management and Crowe LLP, the Company's independent auditor. The Audit and Risk Committee has also discussed with Crowe LLP the matters required to be discussed under the applicable standards of the Public Company Accounting Oversight Board (the "PCAOB"). In addition, the Audit and Risk Committee has received the written disclosures and the letter from Crowe LLP required by the applicable requirements of the PCAOB regarding Crowe LLP's communications with the Audit and Risk Committee concerning independence and has discussed with Crowe LLP their independence from the Company. Based on its review and discussions with management and Crowe LLP, the Audit and Risk Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2021 for filing with the SEC, and the Board of Directors approved such filing.

HOUSEHOLDING

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy delivery requirements for annual reports and proxy statements with respect to two or more shareholders sharing the same address by delivering a single annual report and proxy statement to those shareholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for shareholders and cost savings for companies. Brokers with account holders who are shareholders of the Company may be householding the Company's proxy materials. Once you have received notice from your broker that it will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate annual report or proxy statement, or if you are receiving multiple copies thereof and wish to receive only one, please notify your broker or nominee if your shares are held in a brokerage account or other account or our agent, American Stock Transfer & Trust Company, LLC ("AST") if you hold registered shares. You can notify AST by sending a written request to: American Stock Transfer & Trust Company, LLC, 6201 15th Avenue, Brooklyn, NY 11219, or by calling AST at (800) 937-5449.
